Name of child: _____

Occasionally, we may take photographs of the children at our nursery. We may use these images in our prospectus or in other printed publications that we produce, as well as on our website. We may also make video or webcam recordings for conferences, monitoring or other educational use.

From time to time, our nursery may be visited by the media who will take photographs or film footage of a visiting dignitary or other high profile event. Children will often appear in these images, which may appear in local or national newspapers, or on televised news programmes.
